

Trade

Children to look at different images of housing and the materials used - Why did this have an impact on the fire spreading?

Monarchy

Understand the role of the King and how he supported his country during this time and what changes did he put in place after the event?

Hot seat children as King Charles II and ask what would they have done and how they would prevent fires.

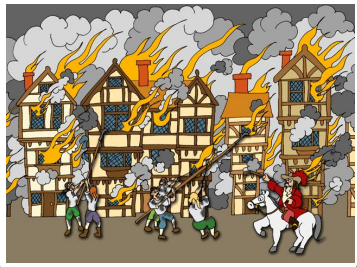

What caused the Great Fire of London?

Significant people and events

Show the children different ways to document events. Discuss and decide which evidence were appropriate and effective for the time.

Children to look at extracts from Samuel Pepys Diary to understand how the fire started and who was involved.

London's Burning

Settlement

Use Videos and Images to look at London and where and how the Great Fire struck and how Christopher Wren helped.

Children to make comparisons of past and present London and how things have changed and why they think they have changed.

Empire

Democracy

How did people feel during King Charles II reign? Using images and different sources for children to investigate how people felt. Children can role play the king compared with society dealing with the fire.
