

English.

We have made lovely progress using, capital letters, full stops and fingers spaces. We will continue to focus on these areas, whilst using the word 'and' to make our sentences longer. This half term we will also focus on spelling high-frequency words correctly.

Maths

This half term we will be learning about multiplication and division and later on in the term we will be learning about fractions.

Phonics and Handwriting.

We will continue to have daily phonics lessons using The Little Wandle Scheme. These lessons will reflect pupils' class progression. We have 'keep up' sessions that are tailored to pupils' individual progression. Pupils will receive daily handwriting support.

Science

This term we will be learning all about everyday materials, their properties and their uses. This is a fun topic, with lots of opportunities for learning outside the classroom.

Topic: I have a Dream.

In this exciting topic, we will learn about civil rights and explore the pioneers who have tried to make the world a fair place. We will be learning about Martin Luther King, Rosa Parks, Malalala Yousef and Nelson Mandela.

Art, STEM and DT

Art and DT will be linked to our topic, we will make protest banners and study the art of Jean-Michel Basquait.

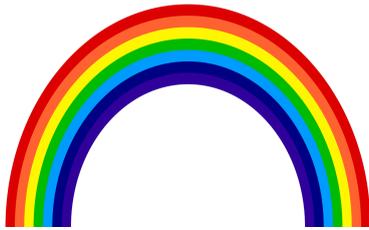

Thrive!

Our Thrive will be entwined into the curriculum.

This term we will focus on positive play with others and learning about how our behaviour can impact others.

Pupils will have the opportunity for role play, and creative experiences and will be supported to develop their emotional responses to tricky situations.

Staff will ensure that activities meet pupils' needs identified on their Thrive assessments.

Learning Outside.

Pupils will receive lots of opportunities to experience learning in the school's fantastic outside spaces.

Including the Forest school and pond areas. As the weather gets better we are really looking forward to learning outside again.

Everyone read in class!

Pupils will have the opportunity to read to a member of staff every day after lunch as part of The Little Wandle Scheme.

All pupils will be encouraged to read a book of their choice after lunch. There will also be a daily story and poem read by an adult.

Our reading time has proven a successful and well-liked part of the day; we will continue to develop this as the term progresses.

Learning at home.

Please read your child's class reading book every night.

Pupils will continue to be set homework by their class teacher.

Staff.

Ms Evans and Mrs Chapman will be in The Base Monday-Wednesday and Mrs Stavrianos and Ms Evans will be in The Base Thursday and Friday. Ms Evans will always be available and the beginning and end of the day should you require anything.

Dear Families,

Well here we are in the summer term! We have a fantastic topic this half term, which gives pupils the opportunity to explore influential people who have changed modern history by standing up for what they believe in. It will give pupils the opportunity to explore what is important to them.

Hopefully, you will be able to have some interesting discussions at home too!

Mrs Chapman has returned from her maternity leave and will be in the Base Monday-Wednesday Ms Stavrianos will be working in the Base on Thursdays and Fridays but will continue to keep in touch with the children throughout the beginning of the week.

Do not hesitate to contact me if you have any questions or concerns.

Ms Evans
