

Is our world a beautiful place and why?

Environment

Understand the difference between man made and physical by looking at sources and thinking about:
What is it like to be here?

Location

Using map skills, children to look at Google Earth and name countries they already know.
To understand the four countries of the UK and being able to name their capital cities.

Climate

Comparing the different climates of the four countries in the UK.
Children to keep a rain gauge and record daily.

Pack your bags.

Diversity

Comparing man made and physical across the UK.
Scotland - compare Hadrian's Wall and Loch Ness.
Wales - Snowdon
Northern Ireland - Giant's Causeway.

Local

LOTG - walking in the local area to discuss and compare man made and physical.
Contrast between rural and urban areas.
Children to understand map skills by drawing a map of their local area and labelling with a key.

Disaster
