

CONIFERS PRIMARY SCHOOL

Collective Worship Policy

*This policy will be reviewed annually
October 2021*

The Collective Worship Policy of Conifers School pays due regard to statutory requirements, and has taken account of the guidance offered by the LA through its SACRE.

The Collective Worship Policy of the school is consistent with the philosophy and aims of the school as expressed in the school prospectus.

Definition of Collective Worship

Collective Worship is a time when the whole school, or groups within the school meet together in order to consider and reflect on common concerns, issues and interests. It offers all pupils an opportunity to worship through engaging in relevant, meaningful experiences and provides opportunities for the pupils' spiritual, moral, social and cultural development.

Aims of Collective Worship

For the School:

Collective Worship contributes significantly to the ethos of Conifers Primary School and it is our aim that it is a time when the school community can:

- share common aims and values
- celebrate achievement and special times
- explore together the world in which we live
- develop a community spirit

For the Pupils:

We also intend that Collective Worship contributes to the development of the child as a 'whole' person by providing opportunities to:

- worship that which is considered worthy
- consider spiritual and moral issues
- explore their own beliefs
- develop their own spirituality
- reinforce positive attitudes
- participate and respond
- reflect on what it means to be human

The Contribution of Collective Worship to aspects of the Curriculum

Collective Worship time is distinct from curriculum time. However, in Conifers Primary School, Collective Worship will at times feature aspects of the curriculum, which will enhance the experiences of pupils by reflecting on the work done in classes. At times, Collective Worship will enrich learning through its consideration of subject matter from different perspectives.

The provision of opportunities for pupils' spiritual, moral, social and cultural development is in line with school policy which informs our practice. To ensure Collective Worship provides opportunities for spiritual, moral, social and cultural development it should address a wide variety of themes and topics, use diverse stimuli and resources and provide pupils with the opportunity to 'respond' on their own level.

The Organisation of Collective Worship

Collective Worship will take place in the school hall / studio or the classroom.

Acts of worship will usually last for approximately 15 minutes, although it is recognized that this time will be shortened or lengthened when it is appropriate.

(See appendix for further details.)

Leadership

Every member of the school staff and occasional visitors will be involved in leading acts of worship at some point in the school year.

Planning Acts of Collective Worship

The content of all acts of Collective Worship will be considered carefully, to ensure relevance and suitability for the ages, aptitudes and backgrounds of all pupils.

There will be agreed termly or half termly whole school themes, special occasions and events, but they will be flexible to allow the inclusion of current and topical issues. This will ensure that there is continuity and progression, and enable the monitoring and evaluation of acts of worship to take place.

Visitors will be welcome to lead Collective Worship from time to time and will be given guidance on acts of Collective Worship at Conifers Primary School. Leaders from Faiths within the area will increase the pupils' awareness, promote respect and raise the esteem of the pupils who belong to these Faiths.

The Act of Collective Worship

A variety of teaching and learning styles and active and interactive methods are appropriate in acts of Collective Worship. Any and all of the methods employed in the classroom can be used effectively in acts of Collective Worship. A variety of resources will also be used. Leaders will choose the style/method and resources which are appropriate to the content, the age, aptitude and the background of the pupils.

Withdrawal

Any parent who objects to their child attending an act or acts of Collective Worship may request that their child is withdrawn. Parents are encouraged to discuss this with the headteacher. Any pupil who is withdrawn from an act or acts of Collective Worship will be supervised during that time by a member of the school staff.
