PE & Sport Premium Action Plan 2020/21

Subject Leader: Ian Lyon

Primary PE & Sport Premium Key Outcome Indicator	School Focus and planned impact on Pupils	Actions to achieve	Planned funding	Evidence & impact	Sustainability	Review and next steps
<p>Increased confidence, knowledge and skills of all staff in teaching PE and Sport.</p> <p>Broader experience of a range of sports and activities offered to all pupils. (Very hard to achieve during Lockdown)</p> <p>Increased participation in competitive sport (not happening during COVID)</p> <p>The engagement of all pupils in regular physical activity - kick starting healthy active lifestyles.</p>	Children will have opportunities to re engage with physical activity	Year 1 weekly Zumba sessions	£196	Children will have a positive start to PE and physical activity through the recovery recovery curriculum.	Children's engagement in PE will be improved during the year.	The children enjoyed their Zumba sessions and had a positive start to their year with PE and physical activity. Will use the instructor again when the correct time arises.
		Year 4, 5 and 6 weekly fitness session with a personal trainer	£1120	Children will have a positive start to PE and physical activity through the recovery recovery curriculum.	Children's engagement in PE will be improved during the year.	The children enjoyed their fitness sessions and had a positive start to their year with PE and physical activity. Will use the instructor again when the correct time arises.
		Autumn Sessions at WOEC for Maple & Beech	£195	Children are exposed to more activities to build on their emotional development through Thrive.	Children's emotional and social well-being will improve through Thrive online assessments. WOEC session prices will only increase by a small amount if the funding is taken away.	Only two classes were allowed to go due to Covid-19.
		Tennis Coach - Year 5 team teaching with staff	£264	Coach team taught with year 5 teachers raising confidence and skill level for future PE practise in tennis - excellent physical activity had by all in year 5	Roll out in other year groups as a team teaching experience to improve staff confidence in PE teaching	Secure tennis coach in another 2 year groups Summer term 2021-22 Summer 1 x 6 sessions
		Football - extra-curricular activity by external provider	£320	All session which were allowed to take place were fully booked with a long waiting list	Can be rebooked each year, but are there staff members who could run the same club so Sports Premium money could be allocated elsewhere?	Reboot extra-curricular offerings once COVID restrictions allow/ bubbles are allowed to mix.

<p>(In Covid Secure Bubbles only)</p> <p>The profile of PE and Sport being raised across the school as a tool for whole school improvement</p>					TAs who are Gifted Footballers could run club at minimum cost to Sports Premium budget?		
		Year 5 & 6 Sports Leadership training Resource equipment (Covid secure) for implementation of lunch time physical activities Extra uniforms required for those trained in house to raise profile and increase numbers	£220		Sports Leaders engaged children at lunchtimes in COVID bubbles	<p>Each year, 8 children to go to the free Sports Leadership training sessions</p> <p>Back at school, they train 6 more year 6s and 10 more year 5s to be in their Sports Leadership team and a daily carousel of 3 different physical activities are offered on a rota at lunch times</p>	<p>Book onto Sports Leader course for October 21 and execute what was planned pre covid detailed in previous box</p> <p>(extra sports leaders t-shirts purchased so in house recruits feel part of the team too)</p>
	Children will have opportunities to engage with their mental and emotional well being	Year 2 and 3 weekly Relax Kids sessions	£1088		Children will have a positive start to PE and physical activity through the recovery recovery curriculum.	Children's engagement in PE will be improved during the year.	The children enjoyed the Relax Kids sessions, it also was a CPD session for staff. The children learnt relaxation and coping techniques. The staff also learnt these techniques to use within school to help the children cope during Covid-19.
		Relax Kids Staff Training	£40		Staff's confidence and knowledge will improve in using Relax kids in the recovery curriculum	Children's engagement in PE will be improved during the year.	The staff's knowledge and understanding of Relax Kids, relaxation and coping techniques have been improved to use in the classroom.
	Zoom Relax Kids Sessions during Lockdown 3	£30 per hour x5 = £150		Children will benefit at home and in school with their physical and mental health	Mental health of the children will be improved	The return to school will be easier for the children attending the sessions	

	Ensure all children reach 30 active minutes at school each day	Re-launch of the Daily Mile Monthly medals Resources	£180		Children will have a positive start to physical activity through the recovery curriculum.	Children's engagement in PE will be improved during the year. Children's fitness and active minutes will increase due to taking part in the Daily Mile.	Review Daily Mile practices and roll out Stormbreak and other movement break options across school via e-mail/ staff meetings to help staff gain confidence in how to achieve 30 mins a day within Curriculum time
	Mental Health & physical Health focus	Stormbreak Staff training	£750		Positive mental health vocabulary embedded into trained staff Associated Stormbreak movement breaks imbedded into staff trained -	Staff trained to run Stormbreak sessions in class/ ELSA Roll out training to other members of staff during staff meetings	Further Stormbreak training from Stormbreak professionals required to embed into the curriculum Staff meeting booked (Nov 21)
	Ensure children have an active but socially distanced break	Purchase required resources	£1350		Ensure children achieve their 30 active minutes within school through active breaks	Children's fitness and active minutes will increase due to taking part in Active Breaks.	Children were able to stay in bubbles with appropriate resources to provide fulfilling and rewarding physically active break and lunch times Purchase of further equipment required to sustain as equipment purchased has a usage shelf life
	A Covid Safe celebration of the end of the school year as a mass participation Sports Day over 4 afternoons in the last week of term	Purchase of resources for activity carousel and equipments sanitisation after each use/rewards and prizes Cover teacher release time to plan &	£668		Photo evidence for school website/noticeboards Ask for verbal feedback during and after event from staff and pupils to assess IMPACT success of the new Sports Day format	100% inclusion and participation by all Focus on sportsmanship, effort & enthusiasm and participation in the scoring system with emphasis on placed competition in the running races only... To encourage a future culture where every child enjoys their physical education experiences.	An awesome mass participation coordination, balance and agility focused sports carousel was enjoyed by all in Covid secure bubbles "Best Sports Day ever." feedback from staff and children Next Steps - How to facilitate a post COVID version of the same format with Parental
