

News From Thrive

Summer 1 2026

This half term we have been enjoying the nicer weather and getting outdoors. We have continued to think about Our Local Area and inspired by David Attenborough's birthday, we have been looking after and exploring our school nature and garden areas.

Thank you so much for attending our Teddy Bears Picnic. It was a lovely afternoon and the children thoroughly enjoyed planning for, and hosting this.

This half term the children have also been really enjoying Mrs Maggs' Forest School on a Friday afternoon - a great way to finish their week!

We hope you all have a lovely half term break!
