HEADTEACHER  
Mr A Johnson

Dear Parents and Carers

We would like to keep you updated regarding our School Council. They have been meeting half-termly, sharing their own ideas as well as those of their peers, to continue making changes to improve the school day. With a focus on children's well-being and ensuring they are in the right mindset to learn, the School Council have decided that every Monday morning will be "Mindful Monday", where each class will begin the day with a mindful activity to help children start their learning week in a positive and settled way.

The School Council are also keen for every child to have a way to communicate their thoughts and feelings. Therefore, after half term, each class will have a designated box where children can share their thoughts, feelings, and ideas.

We are excited to continue updating you regularly on our half-termly meetings.

Kind regards

Mrs Prior and The School Council
